CHEESE SELECTION

Oxford Blue

Semi hard, smooth creamy English cow's milk blue with
a good mellow depth of flavour, pasteurised

Ashcombe

The rind is meaty and savoury, while the paste has aromas of
warm milk and hay. The flavours are comforting and rich, reminding of
melted butter and fresh hazelnuts. Pasteurised, Organic cows milk.

Pitchfork Cheddar

A full bodied, dense and nutty Cheddar from Trethowan's
Dairy in Somerset, with a juicy bite and creamy texture
that rolls around the mouth. Unpasteurised, raw cows milk.

Dazel Ash

This delightful goat's cheese and edible ash coating which matures
into crinkly rind which takes on a lustrous satiny, dark hue of black and
white. The cheese has fresh, clean flavours. Goats milk, pasteurised.

Served with quince jelly, cheese crackers and grapes

Choice of 2 cheeses **£8.50**

Choice of 3 cheeses **£11.75**

Choice of 4 cheeses **£14.50**
